

1. Asus Eee Keyboard PC | US\$550

Asus has managed to pack an entire HTPC into a skinny wireless keyboard complete with a 5.5-inch, 800x480 touch screen/controller. Fully Wi-Fi b/g/n and Bluetooth 2.1 compatible, it sports an integrated microphone and stereo speakers. asus.com

2. Fuji FinePix Real 3D W1 Camera | \$700

Having not one but two CCD receptors gives this sexy, compact 10-megapixel camera the distinct ability to capture 2D or 3D images and video with stereo sound. Featuring 3x optical zoom (photos only) and illuminated controls, a large 2.8-inch 3D display lets you view the stunning results immediately. fujifilm.ca

3. Tiffany & Co 1837 Cell Phone Charm | \$150

Give her a gift with a personal touch with this beautiful sterling silver cell-phone charm with pink accent centre. Chicly debossed with the T & Co logo, you can have up to three letters hand engraved at an extra cost. tiffany.com

4. Lavender BlackBerry Curve 8520 | \$449.99 no term price

This lavender beauty is perfect for the social networking butterfly on your list. It's the first BlackBerry to feature an intuitive optical trackpad plus dedicated media keys for fast and furious navigation. A 2-megapixel camera with YouTube-compatible video capture and Wi-Fi are built in. rogers.com

5. Breville Dual Disc Juice Processor BJE820XL | \$400

This is the Cadillac of juicers. Starting with a 1200-watt five-speed motor, this Breville makes an eight-ounce glass of juice in five seconds, extracting up to 30 percent more juice than traditional juicers. A secondary purée disc can be used for fruit smoothies or healthy dips, sauces, soups and sorbets. breville.ca

6. Prepara Power Plant Pro | \$125

Using NASA-tested technology to grow plants up to 50% faster than in pots, start with any seed of your choice and watch it grow hydroponically with very low maintenance. Enjoy fresh herbs, vegetables, flowers and fruits year-round. prepara.com

Stocking Stuffers
